## Lay Down Roots

### ABOUT US

Byhalia pronounced (bye-HAY-yah), but commonly referred to as "bye-HAIL-yah" by some residents, is a town in Marshall County, Mississippi. Byhalia is named for the Chickasaw word meaning "Great White Oaks." U.S. Highways 78 and 309, along with I-69, all intersect to make this a true crossroad. Antebellum homes and churches are part of the legacy of Byhalia and Marshall County. According to the United States Census Bureau, the town has a total area of 2.9 square miles (7.5 km), all land. The town is served by the Marshall County School District, one of several districts being supported by the Mississippi Teacher Corps.
